

LASCOL CLEAN EASY

DEGREASER

HIGH PERFORMANCE DEGREASER FOR ALL AREAS IN INDUSTRY

SCOPE

LASCOL CLEAN EASY is a high performance degreaser for all areas in industry / crafts.

APPLICATION OF LASCOL CLEAN EASY

Stubborn dirt can be cleaned quickly and thoroughly. Spray the surfaces to be cleaned until the foam and grease have been rinsed off, or spray and wipe with a clean cloth. If necessary, repeat the cleaning procedure. Do not spray plastic parts or paint surfaces.

- Cleaning of machines parts.
- All cleaning works on vehicles, e.g. oiled and contaminated small parts, cleaning the disc brakes and brakeparts of oil, dirt and wear.
- Preparation of materials for the adhesive or joining process.
- Pre-cleaning for soft soldering and sealing surfaces.
- Pretreatment for painting and priming.
- Cleaning nozzles on spray cans and paint spray guns.
- Removal of PUR foam in non-solidified state.
- Distances from adhesive and bitumen residues.

We recommend a compatibility test.

CHARACTERISTICS OF LASCOL CLEAN EASY

- 2-fold cleaning power.
- Chemically- through powerful ingredients.
- Mechanical- due to high discharge pressure.
- Quick evaporation.
- Absolutely residue-free.
- Does not leave any grease residue.
- Not corrosive.
