

LASCOL DERMA CARE

SKIN CARE CREAM

SKIN CARE CREAM FOR HANDS AND FACE

SCOPE

LASCOL DERMA CARE is a care cream for hands and face

APPLICATION OF LASCOL DERMA CARE

- For the care and regeneration of stressed skin, suitable for all skin types.
- **After work**, apply to previously cleaned and thoroughly dried skins.
- Apply evenly and carefully, paying particular attention to the skin between the fingers and the nails.
- The cream is also suitable for use on the face.

CHARACTERISTICS OF DERMA CARE

- Lightly perfumed, silicone free skin care cream based on water-in-oil emulsion (W/O emulsion)
- Skin suppleness and resistance remain intact.
- Is quickly absorbed.
- Does not leave a disturbing greasy film on the skin.
- Suitable for all skin types.
- Silicone-free.
